Wachemo University
Office of Vice-President for Research and Community Services

Call for Community Service Project Proposals

The office of the Vice-President for Research and Community Services of Wachemo University announces the 2015 E.C budget year call for thematic community service project proposals for possible funding. Thus, all interested academic and research staffs of <u>College of Engineering & Technology</u> are pleasantly called to submit your proposal to the Community Service and Engagement Directorate office through the link mentioned below.

Thematic Areas	Project Priority Areas	
Infrastructure	• Transportation	• Other infrastructure
Building and Planning	• Landscaping • Urban planning • Land use • Construction technology	• Roads and Housing • Safety • Aesthetics • Technology transfer
Information Communication Technology (ICT)	• Systems engineering • Information Communication technology • Software engineering • Artificial intelligence	• E-learning-commerce, e-governance, automation • Network security • Databases
Material, Energy and Mines	• Advanced materials and complex systems • Green and sustainable Energy • Manufacturing and processing • Design, development and Quality control	• Recycling and reusing • Mining • System mechanization and Automation
Water and sanitation	• Water resources management • Sanitation and Waste Water management	• Water quality • Irrigation and water harvesting
Educational quality and cross-cutting	• Education • Gender	• Other cross-cutting issues

The most important points to be considered while developing the Community Service Proposals

☞ Should be original, highly relevant and practically significant to the local community.
☞ Should be in line with the guideline and thematic areas of Community Service Directorate.
☞ Should be highly significant for the improvement of livelihood of the community.
☞ Its impact should be measurable and evidence-based.
☞ Emerging technology and innovations are highly encouraged.
☞ Multidisciplinary proposals are highly encouraged.
☞ The proposal must include all the components indicated in the guideline.
☞ Academic and research staffs shall also submit free service proposals for which the office will issue standard certificate only.
☞ Academic and research staffs shall submit consultancy service proposals which are practically significant to the community.
☞ Community Service projects resulting from the research finding shall be encouraged.
☞ Academic and research staffs shall find the community needs assessment survey from the college CS coordinator office before the submission of proposal in addition to the priority areas mention here above.

Important Dates:

- Closing Date for Proposal Submission: <u>07 September, 2022</u>
- Proposal Selection and Screening at Department Level: <u>12-16 September, 2022</u>
- Proposal Review and Screening at College Level: <u>19-23 September, 2022</u>
- Proposal Review and Screening at VPRCS council: <u>28 September, 2022</u>
- Notification and award letter for accepted proposals: <u>03 October, 2022</u>
