**Office of Vice President for Academic, Research, Technology
Transfer and Community services**

Re-Call for Research Project Proposals

Wachemo University Research and Development Directorate extends the submission date of research proposal for those who were not able to submit it on the announced date due to busy schedule related with exit and national exams.

So, you are cordially invited to submit your research proposal based on previously notified thematic areas strengthening the centre of excellency of the university:

- Agro-processing
- Medical Tourism
- Sustainable Energy
- Integrated Community Development

Submission address:

<http://wcu.edu.et/Conference/ConfHome.aspx>

Submission deadline: October 8/2023
